

Document Delivery with RightFind®

A World of Content at Your Fingertips

The powerful document delivery capability offered by RightFind makes content available anywhere, anytime, on any browser-enabled device. Our award-winning, cloud-based RightFind® content workflow solution is used by over 1,500 organizations in 113 countries and was named to KMWorld's Trend-Setting Products of 2019.

Features and Benefits

SPEED

RightFind delivers the documents you need quickly, cost-effectively and copyright-cleared, processing more than 1.5 million orders annually. Our direct relationships with thousands of publishers enable fast turnaround time, with immediate access to most items. We deliver over 95 percent of all orders within 24 hours.

ACCESS

RightFind's proprietary database includes more than 120 million citations, comprising the world's largest collection of scientific, technical and medical (STM) content. The content is aggregated from our partnerships with publishers and libraries around the globe, with access to popular databases such as MEDLINE®.

If the content you need is not included within our extensive holdings, CCC's team of experienced Advanced Referencing Services professionals will personally research, find, clear copyright and deliver your document.

DOCUMENT DELIVERY WITH RIGHTFIND PROVIDES YOU WITH:

- Speed – Get articles quickly
- Access – Search more than 120 million citations
- Copyright compliance – Secure the rights you need
- Personal Libraries – Organize and easily access your content

COPYRIGHT COMPLIANCE

RightFind makes copyright compliance simple. All document orders will be cleared through your organization's existing licenses, your Annual Copyright License (ACL) or through CCC's publisher relationships.

PERSONAL LIBRARIES

RightFind users have access to their own personal library, centralizing research in one place and saving time when accessing content. Content tagging allows users to organize documents by assigning keywords, so they can be found quickly. Personal Libraries are available at the Multiple Users and Enterprise levels. See Account Options below.

CUSTOMER SERVICE

You can count on our Customer Service staff to help you get the most from RightFind 24/7 by email, chat, phone and online help resources. We're here when you need us at customerservice@copyright.com or (800) 422-4633.

PAYMENT OPTIONS

CCC offers flexible payment options, including credit cards and monthly invoices.

ACCOUNT OPTIONS

To best fit your organization's content needs, we offer three access levels: Individual, Multiple Users, and Enterprise. Visit www.copyright.com/docdel for more details.

Copyright Clearance Center (CCC) builds unique solutions that connect content and rights in contextually relevant ways through software and professional services. CCC helps people navigate vast amounts of data to discover actionable insights, enabling them to innovate and make informed decisions. CCC, with its subsidiaries RightsDirect and Ixxus, collaborates with customers to advance how data and information is integrated, accessed, and shared while setting the standard for effective copyright solutions that accelerate knowledge and power innovation. CCC is headquartered in Danvers, Mass., with offices across North America, Europe and Asia. To learn more about CCC, visit www.copyright.com.

A Copyright Clearance Center Subsidiary

RightsDirect provides content workflow, document delivery and rights licensing solutions that allow companies around the world to use, share and store content while simplifying copyright compliance. Working with partners around the world, RightsDirect offers sophisticated solutions tailored to the needs of national and global organizations. RightsDirect is a wholly-owned subsidiary of Copyright Clearance Center based in Amsterdam with presence in Tokyo and Munich.
