

Copyright in the Digital Age — Free One Day Event in Germany

On 23 October 2017, RightsDirect and Schweitzer Fachinformationen will host an informational day on Copyright. The event will take place in Frankfurt and will feature presentations from Fresenius's Dagmar Moeller and BOEHMERT & BOHEMERT's Dr. Martin Schaeffer. The event will focus on the misconceptions surrounding copyright and discuss potential solutions companies can pursue.

European Union Prepares for Three Major Copyright Law Changes

Since the turn of the century, we've seen many changes in the ways people access, use and share creative works. Should the rules that protect creators change, too, and be adapted to the new digital realities? According to the European Union, yes, they should.

Read the latest blog post on the changes the European Union has proposed to copyright law.

Copyright Matters: What Every Corporate Counsel Should Know

Copyright compliance has evolved into a hot button for companies. Even careful corporate agreements that reflect due diligence can fall short of securely covering the vast stores of copyrighted material that are the essence of the information workplace. Here are some things every corporate counsel should know about copyright in the workplace.

The Multinational Copyright License — New Titles in the Repertory

The Multinational Copyright License from RightsDirect simplifies copyright compliance by providing organizations with the rights to share content worldwide from millions of information sources. In the past three months we have added approximately 45,000 new titles to the repertory of the Multinational Copyright License. Here are some key rightsholders by industry now covered under the license:

Manufacturing

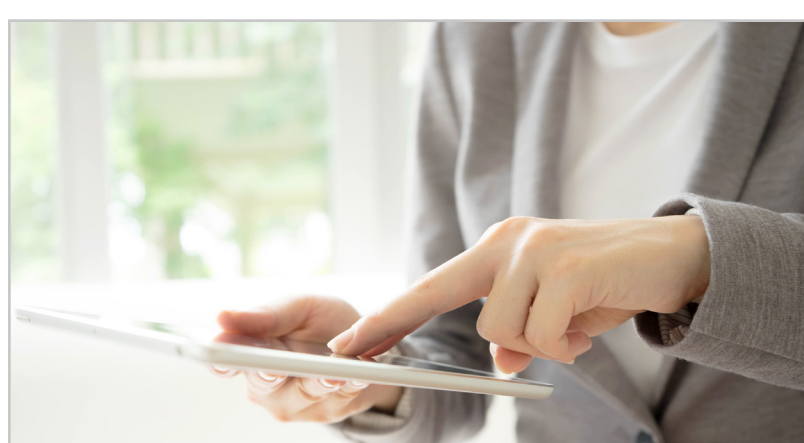

Packaging Machinery Manufacturers Institute

E-Commerce

Global China Institute

Standards

International Electrotechnical Commission

COPYRIGHT EDUCATION

RightsDirect is your resource for educational information about the subject of copyright including certification programs, videos, articles, papers, and more.
