

VG WORT Digital Copyright License

The license allows you to lawfully reuse content across borders in several ways

Share digital or printed content internally with co-workers via email, intranet posting or PDF

Save to corporate-owned hard drive or network drive

Store articles for records, projects and/or product literature databases

Select and copy portions of digital articles and share with colleagues within your organization worldwide

Attach copies of articles to internal communications such as newsletters, training materials and presentations

Share digital content internally via collaboration applications such as IBM Notes or MS SharePoint

Scan printed works into digital form when an electronic version of the work is not readily available

Print out web-based or other digital content onto paper or overhead slides

Use published content (including e-books and blogs) in a slide presentation or CD-ROM to an internal audience

Provide a single, responsive digital or print copy of an article to a customer or prospect upon request*

Submit photocopied and digital copies of articles to government agencies for regulatory filings

Note: The VG WORT Digital Copyright License is generally intended to permit distribution of articles on a periodic, non-systematic basis to other people within an organization. It is not meant to replace subscriptions that you or other people in the organization need in the ordinary context of your work.

*Applicable to most German publications, as well as many non-German publications, in the repertory.
