

Multinational Copyright License

Verifying License Coverage with RightFind Advisor

Checking coverage under your RightsDirect Multinational Copyright License is easy with RightFind Advisor. You can check rights by journal title or standard number (such as an ISBN number) or by searching for a specific article (if enabled for your account).

Accessing RightFind Advisor

To access RightFind Advisor, go to <http://rightfind.copyright.com>. If you are IP authenticated on your company's network, you will see the RightFind Advisor homepage. If you are on a computer outside of your company's network, you must log in. If you are a new user, register your account with a company approved domain (This should be your professional email).

Searching for publications

To search for a publication, go to the RightFind Advisor homepage.

You can search publication title or Standard Number (ISBN/ISSN).

Verifying Licence Coverage

In the search results, the most frequently requested publications are displayed first. When searching by publication title, your Multinational Copyright License coverage is shown to the right of the search results.

✓ **Digital Sharing**
This permission type is covered.

Your organization has obtained rights for you to copy and share this title in electronic form.

Examples include

- Emailing a copy to my co-workers.
- Storing a copy on an internal shared network.
- Storing a copy on your local hard drive.
- Displaying in a presentation to co-workers.
- Displaying in a presentation to an external audience (as long as there are no handouts or copies provided).
- Distributing in a PowerPoint presentation to co-workers.
- Submitting an electronic copy to regulatory authorities.

The license cannot be used to create a library or collection intended to substantially replace the need to take a subscription or purchase a particular Work.

Covered by the Multinational Copyright License

The type of use selected is covered under your Multinational Copyright License. Coverage includes all employees of your organization.

Covered, but Terms Apply

Your search results may include special terms from the copyright holder and can include information about how to share the work. Click the "TERMS" link to view any special terms associated with the publication.

Not Covered

The type of use selected is not covered under your RightsDirect Copyright License. Click the "Digital Sharing" or "Photocopy Sharing" links, then click the orange "Request Coverage" button and RightsDirect will request that the copyright holder add the publication to our rights database in the future.

Responsive rights

Some articles or publication titles include responsive rights. These are rights that your organization has obtained for you to share single electronic copies of this title with customers of your organization in response to a specific request, for information purposes.

Task-Based Learner Production: A Substantive and Methodological Review
Kim, Youjin , Plonsky, Luke , *Annual review of applied linguistics*, Vol. 36, pages 97 - 97.

Additional search tips

- Searching by Standard Number (ISBN/ISSN) is the easiest way to get an exact match for the publication you are looking for.
- Searches are not case sensitive.

About RightsDirect

RightsDirect, a subsidiary of Copyright Clearance Center (CCC), provides advanced information and data integration solutions to organizations throughout Europe and Asia.

A pioneer in voluntary collective licensing, CCC helps organizations integrate, access, and share information through licensing, content, software, and professional services. With expertise in copyright and information management, CCC and its subsidiary RightsDirect collaborate with stakeholders to design and deliver innovative information solutions that power decision-making by helping people integrate and navigate data sources and content assets.
